

Interim CFO SERVICES

About CXO Partners

CXO Partners is a professional services firm that helps businesses manage change, improve performance and drive greater value for shareholders in middle-market businesses and PE-backed firms. Our capabilities are focused on key areas for driving success for our clients including Interim Leadership, Strategy & Execution, Mergers & Acquisition, Performance Improvement, and Turnaround & Restructuring.

Experience + Speed

The nature of interim executive services is to be effective now. A **typical CFO executive search** can take up to 6 months. We engage immediately to assess, stabilize and act, leaving well-functioning entities, processes and functions.

HIGHEST-LEVEL PROFESSIONALS

Turnover of CFOs in middle-market and PE-backed companies is notoriously high, with estimates reaching 80%. The reasons? (1) Failure to get fundamentals correct; and (2) CFOs who fail to move with actionable, strategic insights, and operational Impact. With a CXO Partner serving as your interim CFO, you will have an exceptionally credentialed and prepared executive who will demonstrate **steady leadership at the most critical times.**

FINANCE & ACCOUNTING LEADERSHIP

CXO Partners meet the needs of the expanding CFO role which includes **driving efficiencies, supporting growth, managing results, reporting and compliance**, while being strategic. Our broad suite of capabilities supports business, the CFO and Finance Organization to achieve operational excellence via:

- Audit Preparation
- Benchmarking & KPIs
- Board & Audit Committee Advisory
- Budgeting & Forecasting
- Cash Flow Forecasting
- Due Diligence
- Financial Systems
- Distress Management
- Restructuring & Turnarounds

THE CXO PARTNERS DIFFERENCE

1

Proven Operational Expertise

Our interim CFOs have successfully served multiple clients in finance leadership roles. Our experience immediately translates into compressed time-to-value.

2

High-Value, Stabilizing Presence to Fill Leadership Gaps

Our executives provide a cost-effective solution to stabilize situations to fill leadership gaps and other disruptions.

3

Low-Risk, Agile Model

Our interim CFOs are available on-demand, without the cost and burden of long-term contracts, equity, severance, taxes and benefits.
