

# Interim CIO SERVICES

## About CXO Partners

CXO Partners is a professional services firm that helps businesses manage change, improve performance and drive greater value for shareholders in middle-market businesses and PE-backed firms. Our capabilities are focused on key areas for driving success for our clients including Interim leadership, Strategy & Execution, Mergers & Acquisition, Performance Improvement, and Turnaround & Restructuring.

### Experience + Speed

The nature of interim executive services is to be effective now. A **typical CIO executive search** can take up to 6 months. We engage immediately to assess, stabilize and act, leaving well-functioning entities, processes and functions.

**6 Months**

To Recruit New CIO

**6-9 Months**

Typical Interim CIO Term

Atlanta, GA 30305

## HIGHEST-LEVEL PROFESSIONALS

The Chief Information Officer lives at the intersection of operations, technology, strategy, innovation, and business transformation to define roadmaps that support revenue and market share growth. With a CXO Partner serving as your interim CIO, you will have an exceptionally credentialed and prepared executive who will demonstrate **steady leadership at the most critical times, including businesses in turnaround or transformation situations.**

## TECHNOLOGY & PRODUCT LEADERSHIP

CXO Partner CIOs deliver a balanced and aligned strategy for cultural collaboration, business outcomes, and technology enablement. Our interim CIOs, CTOs, CiSOs, and Chief Digital Officers bring objective clarity to organizations that are struggling with transformation and how to achieve business outcomes through effective technology planning and execution. Our broad suite of capabilities include:

- Technology Strategy
- Product Development
- IT Ops Leadership
- Transformation Planning
- Program Execution
- Service Delivery
- KPI Implementation
- Technology/Digital Adoption
- IT Organization Optimization
- Cybersecurity
- Risk/Compliance/Controls
- Financial/Vendor Management

## THE CXO PARTNERS DIFFERENCE

1

### Proven Operational Expertise

Our interim CIOs have successfully served multiple clients in technology leadership roles. Our experience immediately translates into compressed time-to-value.

2

### High-Value, Stabilizing Presence to Fill Leadership Gaps

Our executives provide a cost-effective solution to stabilize situations to fill leadership gaps and other disruptions.

3

### Low-Risk, Agile Model

Our interim CIOs are available on-demand, without the cost and burden of long-term contracts, equity, severance, taxes and benefits.
