

E. JEFFREY HUTCHINSON

OPERATING PARTNER

RELEVANT EXPERIENCE

Dr. Jeff Hutchinson is a board-level executive with deep experience in technology governance, enterprise risk, cybersecurity oversight, digital transformation, business process enablement, and M&A diligence.

During his distinguished career, Jeff served as **Global Chief Information Officer** for **Bombardier, Inc.**, a leading manufacturer of both planes and trains, where he led continuous improvement, operational transformation, outsourcing, M&A, lean/agile process enablement, enterprise intelligence, cloud adoption, and solution modernizations.

He also served as

- **HQ CIO and VP, Global Enterprises Services** for **Honeywell**;
- **SVP, Strategic Engagements Global Leader** for **SAP**;
- **Global CIO & Digital Transformation Lead** for **Maple Foods, Inc.**
- **CIO** for **The Dannon Company**.

In addition, Jeff has been a faculty member for the **University of Rhode Island's** College of Business Administration MBA program in Strategic Innovation and **Bryant University's** MBA Graduate School.

He is a Board member of The Uncas Health District in Connecticut and is a former Board member of ASUG - Americas SAP Users Group.

He began his career with **General Dynamics**, **Textron**, and **Accenture**.

PERSONAL STATEMENT

I bring extensive experience in leading organizations through complex business and technology transformations and leveraging innovative solutions to drive measurable outcomes. As a former Global CIO and consulting partner with a proven record of advising boards and executive teams, I align technology, operating processes, talent and investment with strategy, resilience, regulatory compliance, and long-term value creation.

I present strategic and operational solutions to boards and senior management teams on technology, risk, cyber posture, capital investments, outsourcing, and transformation outcomes across global, regulated, and complex operating environments.
